In re Application of

PRUSAK

Application No.: 10/573,209 : DECISION ON

PCT No.: PCT/CH03/00447

Int. Filing Date: 07 July 2003 : PETITION UNDER

Priority Date: 06 August 2002

Attorney Docket No.: HRG-PT033 (G5455pct/us) : 37 CFR 1.137(b)

For: UNDERGROUND PIPE AND METHOD OF

SECURING CONDUITS THEREIN

This decision is in response to applicant's submission filed 24 March 2006.

BACKGROUND

On 07 July 2003, applicant filed international application PCT/CH03/00447 which designated the U.S. and claimed a priority date of 06 August 2002. A copy of the international application was communicated to the United States Patent and Trademark Office (USPTO) from the International Bureau on 12 February 2004. The thirty-month period for paying the basic national fee in the United States expired at midnight on 07 February 2005 (06 February 2005 being a Sunday).

On 24 March 2006, applicant filed a transmittal letter for entry into the national stage in the United States, which was accompanied by, *inter alia*, the basic national fee, a declaration of the inventor, an assertion of small entity status, and a petition under 37 CFR 1.137(b) to revive the application.

DISCUSSION

A petition to revive the present application under 37 CFR 1.137(b) must include:

- (1) The required reply;
- (2) The petition fee;
- (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional.

Application No.: 10/573,209 -2-

As to item (1), applicant submitted the basic national fee on 24 March 2006.

As to item (2), applicant submitted the petition fee on 24 March 2006.

As to item (3), the required statement has been provided.

A review of the application file reveals that, with the filing of the present petition and accompanying papers, a proper response has been submitted and all of the requirements of 37 CFR 1.137(b) for revival have been satisfied and revival is therefore appropriate.

The declaration of the inventor filed 24 March 2006 is in compliance with 37 CFR 1.497(a)-(b). The surcharge under 37 CFR 1.492(h) for filing any of the search fee, the examination fee, or the oath or declaration after the date of the commencement of the national stage has been charged to Deposit Account 22-0493.

CONCLUSION

The petition under 37 CFR 1.137(b) is **GRANTED** for the reasons set forth above.

Please direct further correspondence with respect to this matter to Mail Stop PCT, Commissioner for Patents, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, Virginia 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Administration.

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations to continue national stage processing of the application.
